

# Fuel Breaks – Current Knowledge

## Science-Management Brown Bag Discussion

Wednesday 26 June 2024, 11:00 PDT/12:00 MDT

BLM photo of a mowed fuel break.

Join us for an informal discussion on current fuel break knowledge from science and management

Doug Shinneman, Research Fire Ecologist with USGS, and Lance Okeson, Fire Management Officer with Boise District BLM, will briefly present the latest in fuel break science and practice, and will discuss your fuel break questions.
